

Jeff Soukup

Jeff Soukup is a Program Manager for the Tobacco Free Nebraska Program in the Nebraska Department of Health and Human Services and works primarily in the areas of state and local policy development. He has worked in the area of public health promotion and policy for almost twenty years. Jeff has also been actively involved both in the planning, policy development, collaboration, passage and implementation of several state and local tobacco initiatives including Nebraska's tobacco tax increase, local smoke-free ordinances and funding for comprehensive tobacco prevention and control. He most recently was involved with the planning, passage and implementation of Nebraska's comprehensive smoke-free state law which went into effect June 1, 2009.
