ACCOMMODATIONS

The Stanford Sierra Conference Center provides simple, comfortable accommodations in two and three-bedroom, one-bath cabins with private balconies offering lake-views. Cabins *do not* include televisions, telephones or kitchen facilities. Two-bedroom cabins have one bedroom with a queen bed and two twin beds in the second bedroom. Three-bedroom cabins have an additional room with two twin beds. Each participant has their own bed, and shares a bedroom and bathroom with others in the same cabin. Three to five participants will be assigned to each cabin. **There will be no offsite accommodations.** If you know of another conference attendee with whom you'd like to share a room (others may still be assigned to that same cabin) please list their name(s) below.

Please put me in the same room/cabin with: _____

Even if you are attending from the same organization, do not assume you will be assigned with your colleagues. Please list any names of participants you would like to room with and we will do our best to accommodate you.
