

FAMILY/GUEST APPLICATION

(Please submit with your 2-page registration application)

We understand that a certain number of conference participants (as well as staff) would like to bring their families/partners with them to enjoy this beautiful location. It is our hope to be able to accommodate all requests received. However, due to the very limited space, and our commitment to accommodate as many conference participants as possible, please complete this form to apply. We will respond in a timely manner in order for you to make your travel arrangements.

Please be aware that there will be no childcare provided. A non-participating adult is required to supervise any family members/guests age 14 and under at all times.

In order to receive the best rate from Stanford Sierra Conference Center and pass that on to you, we are required to **fill** each cabin. Therefore, we can only guarantee that families of 4 persons or more will receive their own cabin. Any group less than 4 will likely share cabin space with other conference participants/families. Please see the **Information Sheet** for a description of the accommodations. There are no exceptions.

Because the conference fee is based primarily on food and lodging, the rates for participants and non-participants is the same. Again, the fee includes lodging (3 nights at the Conference Center), 9 meals, snacks, and use of the facilities.

APPLICANT'S NAME: _____

SPOUSE/PARTNER _____

CHILD 1: _____ **AGE:** _____

CHILD 2: _____ **AGE:** _____

IF WE ARE UNABLE TO ACCOMMODATE YOUR REQUEST, WHAT ARE YOUR CHANCES OF ATTENDING?
